

# GLOBAL EXPERTS IN TEXTURE & STABILITY

VISIT US AT FIE 19  
IN PARIS, FRANCE

December 3-5, 2019  
Booth 7A30

Taste the latest innovation in on-trend applications with ICL Food Specialties. Stop by our booth and sample savory and sweet treats highlighting the benefits of our functional ingredients.

From ideation to commercialization, our highly-skilled application experts partner with customers to create custom formulations and product innovations that satisfy ever-changing market and consumer trends.

Contact your sales representative to schedule a private meeting – see you in Paris!
