

IMPACTING
BETTER FOOD™

Plant-Powered Pepperoni

Formulated with ICL functional ingredients

Plant-based pepperoni with that classic crisp-and-chewy bite,
ideal for pizza lovers

ALTERNATIVE PROTEINS

**Expert solutions for an exceptional
consumer experience.**

ROVITARIS® HS 1043 S

- Functional protein-based emulsion system
- Formulated with wheat gluten and other natural, non-GMO and clean label ingredients
- Easily forms a stable and elastic dough
- Neutral base adaptable to added flavors, colors and inclusions
- Delivers high protein content in final application, around 24%

ROVITARIS® PX 375 SM

- Textured pea protein providing meat-like texture, mouthfeel and appearance
- Non-GMO and allergen-free
- Retains moisture and provides juiciness in final applications
- Neutral base adaptable to added flavors and colors
- High in protein and naturally cholesterol-free

Plant-Powered Pepperoni

Preparation instructions

Oven: Preheat oven to 420°F. Add refrigerated pepperoni slices on frozen pizza and bake for 12-15 minutes, or until internal temperature reaches 165°F.
